+1 206 504 5938

## Current Responsibility

Sean Slattery is a principal and consulting actuary specializing in healthcare consulting in the Seattle office of Milliman. He joined the firm in 2009.

## Professional Work Experience

Sean assists clients with a variety of projects, many focused on managed care, Medicare Advantage, low-income populations, behavioral health, prescription drugs, and healthcare payment reform.

Examples of his recent work include:

- Medicare Advantage bid development, feasibility studies, and benchmarking (Parts C and D) with a focus on low-income populations and plans launching in new markets
- Projections of veteran enrollment for the Department of Veterans Affairs
- Behavioral healthcare pricing and benchmarking for Medicaid and commercial populations
- Milliman Health Cost Guidelines (HCG) research
- Utilization benchmarking for provider-owned healthcare delivery systems across Commercial, Medicare, Medicaid, and uninsured populations
- Support for provider-owned Accountable Care Organizations (ACOs) in contracting, especially in the Medicare Advantage market

## Professional Designations

- Fellow, Society of Actuaries
- Member, American Academy of Actuaries

## Education

BA (cum laude), Economics and Political Science, University of California San Diego
