## Current Responsibility

Hana Ghazali is a consulting actuary in Milliman's life insurance consulting practice in Hong Kong. She is a Fellow of the UK Institute and Faculty of Actuaries.

## Professional Work Experience

Hana has worked on various assignments in the life insurance industry and wider fields since she began her career in 2012. Her technical experience includes:

- Actuarial audit and reviews (IFRS, EV and statutory bases)
- Enterprise risk management
- Quantitative impact assessments of regulatory/financial reporting changes and strategic decisions/market entry
- Risk-based capital requirements
- Market research and industry reports

Prior to joining Milliman, Hana worked in Bank Negara Malaysia (the Central Bank of Malaysia) and KPMG Hong Kong's actuarial team, including writing prudential regulations for the Malaysian insurance industry and performing macroeconomic assessments for the Monetary Policy Committee in the former role.

## Professional Designation

- Fellow of the Institute and Faculty of Actuaries
- Fellow of the Actuarial Society of Hong Kong

## Education

- Honours degree in mathematics from University of Cambridge, United Kingdom
- Postgraduate degree in Actuarial Science from City University of London
